

Agreed 21 / 11 / 2016

Signed Alan Brown Head

Signed [Signature] Chair

Prevent Duty Statement

At Oldfield Primary School we ensure that our children are protected from radicalisation and terrorist or extremist views by ensuring that a range of policies and procedures include this aim.

These documents are:

- Safeguarding policy
- Transfer of Control
- Code of Conduct for Adults
- Guidance for visitors and volunteers
- Our and British Values statement

Staff have all had training around the Prevent Duty and Chanel Awareness and if they have a concern regarding anything contravening British Values or that might encourage radicalisation, extremism or terrorism of any form they must report it to the HT using the school's safeguarding referral process. If it merits further action it will then be taken down the Chanel referral route or be treated as any other safeguarding issue and reported to the SCIE Team at CWAC. Referrals from staff will be retained in the child's safeguarding file and if they don't have one, one will be started if a referral is made as detailed in our safeguarding policy.

Mrs Baillie is our Safeguarding Governor and will monitor referrals and processes when referrals are made.
